

Hebo.

We see bee-hives leaving the Krebs Bros. factory.

Mr. Landingham is putting the toll road in splendid shape.

Emmigrants are coming, two families moving to Sand Lake and one to our town.

The weather is splendid; the bees are storing honey fast now, and the country will with milk and honey flow.

Married, at the residence of the bride's parents, Mr. and Mrs. A. C. Gist, April 30, Mr. Arthur Dimmick to Miss Georgie Gist.
