
Mt. Hebo.

I noticed in your paper an article regarding the origin of the name Mt. Hebo. It was named by Mr. J. Lamson, an old pioneer of Oregon and a respected citizen of Willamina. He named it Hevo, and when we petitioned for the postoffice, the papers came for Hebo instead of Hevo. So the change in the name is my fault in not being a better quill slinger.

J. M. KNIFONG.
