## **PATRONIZE HOME MERCHANTS.**

---

A Nestucca correspondent in the Polk County Itemizer says:

“I have just hauled in ten barrels of flour for winter use. It came from the Willamina roller mill and cost \$4.60 here.”

It is possible to do just as well, if not better by trading with Tillamook merchants on flour, and on other articles, our merchants can discount the merchants of Willamina or Sheridan. Give our merchants a trial, and you will be satisfied to do your trading here henceforth.
