

## **WOODS.**

---

Plenty of rain.

Mr. Cary, of Willamina, was in town last week.

Mr. Priestly returned from a trip to Tillamook last Wednesday.

Krebs Bros. are running their mill on full time.

Abe Harris left for Dallas last Tuesday for a two weeks visit.

Booth & Owens have moved their bees up on their Three River ranch. The city air did not agree with the bees.

Work has commenced on the drift at the island and in a short time the river will be open again.

The new road on Horn creek hill is about finished to the creek bottom, and it will be a big improvement on the old road.

Our merchants are getting short of supplies, and no prospects of another steamer.

NABOB.
