

MAIL ROUTE CHANGES.

The tri-weekly mail from this place to Grand Ronde leaves on Tuesdays, Thursdays and Saturdays at 6 p. m., or on the arrival of the North Yamhill mail. The mail carrier stops over at Grand Ronde on Monday. There is already a daily mail from McMinnville to Grand Ronde, and even if the North Yamhill route is blockaded by snow this winter, we will be assured of mail three times a week. When this arrangement took effect, the the route from Dolph to Meda was discontinued and the people in the vicinity of Meda are protesting against the manner in which they have been left out. The mail from Meda is carried to Hebo at present. Considering everything, the the people of the south part of the county will be much better served with mail facilities than formerly, as far as connection with Tillamook is concerned, though Little Nestucca will not be served so well as far as outside mail is concerned.
