## BEAVER.

---

We are sorry to say our pleasant neighbors, Mart Bush and family, expect to move to Tillamook in the near future.

Nehalem and Tillamook are letting the World know of their new babies. Beaver Creek has been visited within a week by a lovely little maid, who now brightens the home of Charles Martin. Mother and child doing well.

One of our bachelor friends, suffering from a carbuncle, called on another single gentleman who advised a mustard plaster. There was a new and lively dance, following the application, but the sufferer claimed the cure a hard, but good one. Batchelors please notice.

Mrs. E. B. Ely is still on the sick list.
