

HEBO.

Deputy Sheriff Steinhilber was in this part of the county the first of last week.

J. C. Landingham has his new road about completed from the Reservation line to Dolph. The new road, when completed, will be far superior to the old one, as a number of hills and rough fords will be avoided.

Stock of all kinds is coming through the winter in fine shape, and if the present good weather continues a while longer there will be plenty of feed, some cattle having lived entirely on the range.

A. T. Bain caught a fine lot of trout last week.

Mrs. Casebeer is reported seriously ill, and her daughter, Mrs. Nelson, has been summoned to her bedside.
