

All kinds of weather in the shortest possible time.

The farmers in this vicinity are busy clearing, fencing and making preparations for putting in their spring crops.

Colds of the severest type, are prevalent in this neighborhood at present.

Theo Steinhilber has been in this part of the county attending to business pertaining to the Sheriff's office.

C. A. Willey, our genial cobbler, is kept busy these rainy days, stitching and pegging, which reminds us of the song, "Mine Wife she's run Away."

The dance at Kellow's was not very largely attended but was immensely enjoyed by those present.

W. W. Conder has just completed a model of a creamery or milk cooler, which promises to be a grand thing for dairymen, and also for Mr. Conder when he gets his patent.

J. L.
