

OREGON TOWN.

A number of the young people of this vicinity attended an Egg-nog party at the Bay last week. Rumor says "Mary Ann" had more Nog than Egg and consequently could not dance the "Monkey's Horn-pipe."

Ed. Bozley, who has been visiting his sister Mrs. Sutton, returned to the valley.

In Little Nestucca during the last eight months, bears and panthers have killed over \$400 worth of sheep belonging to J. B. Upton, M. A. Bowers, S. H. Rock and C. G. Cutting.

Last week Oscar McCoy and M. A. Bowers killed two small panthers that their dogs had treed.

The weather has been so mild and spring-like this winter that a number of cattle are still doing well on the open range. If this fact was made known to the farmers of the blizzard-blown Eastern States no doubt many hundreds of them would come to Oregon where we have the best climate in the world, and especially in Tillamook county.

Miss Lottie Gardener has gone to Woods to attend school. She is missed by all, particularly by the Sunday School.

We hear that one of our bachelor friends is about to take unto himself a better-half. Whether such is the case we cannot say. How about it Fred?
