

ORETOWN.

The recent heavy rains have damaged a large quantity of hay in this neighborhood.

The large camp of coasters at Slab Creek is beginning to break up on account of the bad weather.

It is now understood that the salmon cannery at this place will not be in operation during the present season.

Messrs. Scherzinger and Harvey have commenced work on the new bridge across the Little Nestucca River.

Last week a mid-night thief called on Mr. Mizner of Meda, and relieved him of 50 pounds of butter; the next time he calls he may carry away lead instead of butter.
