
WOODS.

Several of our good people attended the big dance at Mr. Fletcher's, in Little Nestucca, and report it a brilliant success.

The boys are just slaughtering ducks and geese on the bay. There are a greater number of geese this year than usual.

Squire Miles is looking as rose colored as is possible for a victim of circumstances. Its a girl, and as usual, a daisy.

R. T. Weatherly has just finished painting his handsome store and hall. It would be a credit to any town. Woods is justly proud of it.

Give us a "roaster" about the roads. We need one from time to time to keep our memories refreshed. Why! our poor roads are our only drawback. Good highways are all that is needed to make Tillamook county the most enviable place on earth.
