

WOODS.

Health is generally good this winter in this part of the country, with the exception of a few cases of the grippe.

Joseph Wood is busily engaged in looking after street improvements.

Professor White has organized a singing school, and is doing good work in that line.

R. T. Weatherly went to Tillamook Friday.

E. H. Virgil is in Portland on business.

Mrs. Linton, who has been quite sick, is able to be up.

The saw mill has been shut down for some time.

Our town is now supplied with waterworks; Krebs Bros. owners.

Mrs. Sanders is sick with la grippe.

There will be considerable building done here in the spring.

Carpenter Osborne is finishing the house of N. L. Fletcher.

The river is now down to summer low water mark.

Our merchants are getting short of goods. The arrival of a steamer is anxiously awaited.
